## In Memoriam

For those of you who don't know, Bloomfield College has lost a very loved security guard, Nick Raimo. Nick was a security officer at the College for the last 11 years. His battle with cancer was a brave one as those who saw him daily never suspected. Nick was never too busy to say hello and always had a cheery smile for all. He was dedicated to the College and you could always depend on Nick for a helping hand. Nick spent the remaining weeks of his life at St. Barnabas Medical Center, Livingston. He received cards and phone calls from many students who cared. He was a great man, but even more, a friend to us all and we will miss him tremendously.
